LOYALIST COLLEGE OF APPLIED ARTS AND TECHNOLOGY

Dear Harold,

The Hunt - Arab "Links"
(and by inference Sirhan)
represents the latest
variant of the Hunt/Big
Oil Behind Assassinations
theory. A concept "The Company"
has tried to retail for
years as per Farewell
America.

The Romero book is not
available in England as
per Martin Walker. Why?
When did he review it?
A part time job for "The
Company" no doubt!

The media attention given
Sabelnick can only be
attributed to CIA stringers.

It says a lot for
the press that Frame-Up
is the only Critical
analysis of the subject
ever written!

The Russell Stater -
Would The Texas Observer

be interested? Sylvia has contacts there and it seems likely they would publish.

On Buckley Russ mentioned Russell was not satisfied but said he was convinced that no foreign government was behind Oswald. A nice touch!

Sincerely,
